

NATIONAL HOUSEHOLD TARGETING OFFICE

CITIZEN'S CHARTER
2022 (4th Edition)

I. Mandate:

The Department of Social Welfare and Development (DSWD) is mandated by law to develop, administer and implement comprehensive social welfare programs designed to [MVPC1] uplift the living conditions and empower the disadvantaged children, youth, women, older persons, persons with disabilities, families in crisis or at-risk and communities needing assistance.

The DSWD has relied in the past on program-specific targeting mechanisms, which employed varied and often inconsistent methods—an approach which was short on uniformity and objectivity, and often relied on self-declared data from potential beneficiaries. This lack of standardization meant inefficiency and high costs, as each new program would have to bring its own targeting approach to bear. Results were also unsatisfactory, with cases of leakage (the inclusion of non-poor beneficiaries) and deprivation (the exclusion of poor beneficiaries) in the delivery of services to the poor. This, coupled with limited resources, means that ensuring the equitable distribution of services to the poor through a standardized, accurate, and reliable targeting system is essential in addressing poverty.

In 2010, Executive Order No. 867 entitled, “Providing for the Adoption of the National Targeting System for Poverty Reduction as the Mechanism for Identifying Poor Households Who Shall Be Recipients of Social Protection Programs Nationwide” was issued. This mandates government agencies to use the NHTS-PR data as the basis for selecting beneficiaries of their social protection programs. The National Household Targeting Office is the implementing office of the said project under the DSWD.

II. Vision:

We envision a society where the poor identified by the Listahanan shall be given the utmost priority in the delivery of social protection programs and projects of the government and all other interested stakeholders.

III. Mission:

NHTO aims to provide a standardized, accurate, and reliable targeting system through developing, maintaining, and sharing a quality database of poor households with complete, certain, and accurate data of poor to the government and stakeholders to reduce poverty and vulnerability.

IV. Service Pledge:

Integrity, Reliability, Accuracy

Paano Sagutan ang Client Satisfaction Measurement Form (CSMF)?

1.

Kumuha ng CSMF na nakalagay sa harap ng opisina o di kaya humingi ng kopya sa isa sa mga empleyado at isulat ang mga pangunahing impormasyon tulad ng pangalan, tirahan, edad, kasarian, sektor, uri ng kliyente at pangalan ng empleyado na nag-aasikaso.

(Get a CSMF placed in front of the office or ask for a CSMF for from one of the office employees and fill in the basic information such as Name, Address, Age, Sex, Sector, Type of Client, and Name of the employee in charge.)

2.

Bilugan ang numero para sa antas ng iyong kasiyahan, habang markahan naman ng tsek(✓) ang kahon sa likurang bahagi para sa antas ng serbisiyong natanggap at markang "5" sa pinakamataas habang markang "1" ang pinakamababa.

(Circle the number for your level of satisfaction, while check (✓) the box on the back for the level of satisfaction with each service provided to you, mark "5" for the highest while mark "1" for the lowest.)

3.

Sulatan ang kahon ng Papuri o kung meron kang mungkahi o suhestyon sa nasabing serbisyo o di kaya sulatan ang kahon para sa inyong reklamo/mungkahi para sa ikabubuti ng serbisyo ng aming opisina.

(Write in the compliment box or if you have a suggestion on the said service or write in the complaint box or suggestion for the betterment of our service.)

4.

Ihulog ang namarkahang CSMF sa box na nakalagay sa loob ng opisina.

(Drop the filled up CSMF in the box inside the office.)
